

The FCC position on covid-19 protocol:

We are compliant, not defiant. We do not regard our government's request that we observe social distancing practices, sanitization, wearing face masks, etc. in our worship gatherings, as an infringement upon our rights and freedoms or as acts of disobedience toward God, but rather as sensible measures which are in the interest of the health of our community. We gladly and lovingly inconvenience ourselves for the benefit of others. Jesus did more than that for us, setting us an example that we should follow in his steps. This is what His Love requires of us, his followers, at this time.
