

NEIGHBORHOOD GROUP LEADERS

What's the most important part of leading a neighborhood group? Research revealed it's not about your abilities, your personality traits, or getting extensive training. It all comes down to relationships with God and others. Or, as Jesus once said: "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength."
And, "Love your neighbor as yourself."

Groups at FCC typically meet weekly in a group members home for a time of connection, study, prayer and maybe a meal.

If you'd like to explore the opportunity to lead a group, we'd love to begin a dialogue with you about how that might work!
